Swallowing: Give several small portions of water to drink. Do not induce vomiting.

5. Fire Fighting Measures

Extinguishing media

Use appropriate extinguishing material suitable for surrounding..

Hazardous combustion products: No dangerous fumes are involved in a fire situation.

Water may be used to keep fire exposed containers cool.

6. Accidental Release

In the event of spillage mop up bulk with vermiculite, dry sand or earth and into containers. Treat large spillage as industrial waste.

7. Handling and Storage

Store in sealed original containers. Do not mix with other material.

Keep away from sources of heat and prevent from freezing.

Provide good ventilation when in use

8. Exposure Controls/Personal Protection

Respiratory Protection	LEV.
Hand protection	Wear protective gloves.
Eye protection	Wear tightly fitting goggles.
Skin protection	Keep away from skin..
Hygienic work practices	Keep away from foodstuffs beverages and feed..

9. Physical and Chemical Properties

Appearance	White Liquid.
Odour	Typical.
PH value at 20 C	Not determined
Relative density	1.023 at 20C
Solubility	Insoluble in water
Viscosity	Not applicable

10. Stability and Reactivity

This product is stable under all normal conditions of use. Protect from freezing.

Avoid excessive heat for long periods.

11. Toxicological Information

This product contains sensitising substances and may cause allergic reactions.

12. Ecological Information

This product is not known to cause any adverse environmental effects when used according to the instructions.

13. Disposal Considerations

Dispose of any bulk material as industrial waste according to local authority waste regulations.

14. Transport Information

This product is not covered by international regulation on the transport of dangerous goods (IMDG, IATA, ADR/RID). UN number – Void.

Transport in bulk according to Annex II of MARPOL 73/78 – Information not relevant.

15. Regulatory Information

This product has been classified and marked in accordance with directives on hazardous materials.

16. Other Information

For additional information regarding this product see the product data sheet and label or contact the supplier.
